

2017 PDP - Workshop for Returners

December 19, 2016, 12:00-2:00 PM PST
PSB room 205, UC Santa Cruz, and video-call access

This workshop is an opportunity for alumni of the Professional Development Program (PDP) to reflect on their past experience, and plan for moving forward in applying what they learned, including as a prospective 2017 Design Team Leader. (Local attendees will have lunch provided.)

AGENDA

12:00 – 12:15 Welcome and updates on ISEE and PDP

12:15-12:30 2017 PDP for returners

Information on the 2017 application process for returners, including for the role of Design Team Leader (DTL).

12:30 – 1:10 Panel of past PDP Design Team Leaders

Past PDP Design Team Leaders will share what they gained from returning to the PDP and leading a team, and any thoughts they have on how the PDP experience can be improved for returning participants.

1:10 – 2:00 2017 teaching venues

We will share information on the 2017 teaching venues. Because the DTL application includes questions about the proposed teaching venue, this is an important time for those interested in being a DTL to learn about options.
