

2019 ISEE-Akamai Mentor Workshop

May 17-18
Nanihoa Hotel
Hilo, Hawaii

Preparing mentors to design and facilitate productive projects in the STEM workplace

Mentors will work with ISEE-Akamai staff and other mentors to plan a productive intern project.

Application includes a request for fee waiver and travel support. We anticipate accepting many applicants with funding from TMT and NSF.

(AST#1743117).

Deadline to apply: April 8. Online application:
