If you are located at UCSC or a Regional ISEE Chapter that has specific funding for your participation (institutional funds or a grant), you may apply for a fee reduction or waiver, and/or financial assistance for your travel costs.

ISEE works hard to obtain funding and has a number of sources to provide this assistance to as many Participants as possible. However, all participants are strongly encouraged to tap into their own institutional funding resources or through grants.

At a minimum, make sure that you plan for and can manage the expenses not covered by ISEE, which are Items C, F, I and K.

If you have a small amount that you can allot for your participation, please cover Items A and J.
